### WENT THROUGH RAIN TO HEAR EVANGELIST

FORTY PROCLAIMED CHRIST AS SAVIOR AT CLOSE OF SERVICE.

### STORY OF HIS LIFE

Was Very Touching and Many Tears Shed—Subject "Jesus Passing Through Jericho."

Although the sky was very threatening last night and for a time the rain fell in torrents, 1,200 hundred people went to the tent to hear Rev. B. F. McLendon tell the story of his conversion. When he finished it looked as if there was not a dry eye in the audience and on invitation 40 confessed Christ as their Saviour.

The subject of the sermon last night was "Jesus Passing Through Jericho," and is in substance as follows: "It was a wonderful moment in the city when Jesus passed through its gates, more wonderful than the people realized. If their eyes had only been open, Jericho would have given a different reading for its history. He came to the city, passed through the city and the people did not understand.

"There was one man who embraced this opportunity and his name was Zaccheus. I believe he was an intelligent, honest, earnest seeker after Jesus Christ. I am not so sure that he did not hear John answer the question that Isaac had asked 1,700 years previous to that time when he said, 'Father where is the lamb.' I believe Zaccheus was standing on the bank of the Jordan and heard John say, 'Behold the Lamb of God that taketh away the sin of the world.' 'Zaccheus sought Jesus. He sought and every man that finds will have to seek and no man finds without seeking, and what is not worth seeking will never be found.

Here the evangelist explained what it meant to seek God. He said that Zaccheus was handicapped and was a jewel in an unlikely place, separated from decent people by his calling. He was not only handicapped in his position but was handicapped in his birth. He was a small man, he was circumscribed, he was a dwarf. And there are hundreds of people today that are handicapped in their birth. Children that are born of half-damned parents. God pity the children who are brought into the world by nicotine, whiskey poisoned parents. They are born wrong. Well thank God they can be born again and born right. Jesus can do it.

Here the evangelist told how Zaccheus left the crowd. "Brother if you ever see Jesus you must leave the gang. You must come out in spirit from among them." He closed by telling the story of his conversion. Told how the Lord saved him from the life of a gambler and a drunkard. He told them what he knew about cards and the things that he gave up in a life of sin to be a Christian.

### MAKES RECORD BOOK

Mr. J. B. Felton Has Book Made to Keep Records. Mr. J. B. Felton has had a special book made in which he intends to keep the record of those who are granted teacher's certificates. In this book is kept the name of the holder of the certificate, date of examination, the grade that was made on every subject and general average.

This is a new way of keeping the records in Anderson county says Mr. Felton for heretofore only the general average, name and date of examination was kept. Now when one gets a certificate renewed or wants a duplicate made, the superintendent of education will be able to find all about the previous record.

### Bilious Attacks.

When you have a bilious attack your liver fails to perform its functions. You become constipated. The food you eat ferments in your stomach instead of digesting. This inflames the stomach and causes nausea, vomiting and a terrible headache. Take Chamberlain's Tablets. They will tone up your liver, clean out your stomach and you will soon be as well as ever. They only cost a quarter. Obtainable everywhere.

### IF BACK HURTS USE SALTS FOR KIDNEYS

Eat Less Meat if Kidneys Feel Like Lead or Bladder Bothers.

Most folks forget that the kidneys, like the bowels, get sluggish and clogged and need a flushing occasionally, else we have backache and dull misery in the kidney region, severe headaches, rheumatic twinges, torpid liver, acid stomach, sleeplessness and all sorts of bladder disorders.

You simply must keep your kidneys active and clean, and the moment you feel an ache or pain in the kidney region, get about four ounces of Jad Salts from any food drug store here, take a tablespoonful in a glass of water before breakfast for a few days and your kidneys will then act fine. This famous salt is made from the acid of grapes and lemon juice, combined with lithia, and is harmless to stomach, kidneys and stimulates them to normal activity. It also neutralizes the acids in the urine so it no longer irritates, thus ending bladder disorders.

A well-known local druggist says he sells lots of Jad Salts to folks who believe in overcoming kidney trouble while it is only trouble.

### Young Baron and Girl in Suicide Pact.

Miss Anna Malmquist.

Boran Frederick Hussenius.

Frederick J. Hussenius, said to be a Swedish baron and member of a noble family in his native land, a family from which he was estranged, and his sweetheart, Anna Malmquist, twenty-two, were found dead in each other's arms in Central Park, New York.

Dawn was just glimmering through the trees when Patrolman John Flaherty heard three shots from the broad stretch of lawn east of the West Drive in the park, at a point opposite Sixty-Fourth street. Under the drooping boughs of a Linden tree the policeman found the couple clasped in each other's arms.

The girl was lying on her back and had been shot twice, through the heart. Beside her, his left arm under her neck and his head pillowed on her breast, lay Hussenius. In the grip of his right hand, which was tucked between the two bodies, was an automatic pistol, three chambers empty. There was a bullet wound in his temple.

Hussenius, so his friends told the police, was born in Sweden. He was a graduate of Stockholm University. He was the son of a nobleman, and two years ago had a quarrel with his family which resulted in his coming to this country. He was about thirty years old.

Anna Malmquist was a music teacher and lived with her widowed mother, Mrs. Ebba Kuhlman, and three brothers in Brooklyn. Recently she suffered a nervous breakdown and was treated for three weeks in a sanitarium.

### A Mistake Made by Many.

Don't wait for rheumatism to indicate diseased kidneys. When you suffer pains and aches by day and sleep disturbing bladder weakness by night, feel tired, nervous and run down, the kidneys and bladder should be restored to healthy, strong and regular action. It is a mistake to postpone treatment. Foley Kidney Pills put the kidneys in sound, healthy condition and keep them active and strong. Begin taking today. Good results follow the first dose. Evans Pharmacy.

### SAGE TEA DARKENS HAIR TO ANY SHADE

Don't Stay Gray! Here's an Old-time Recipe That Anybody Can Apply.

The use of Sage and Sulphur for restoring faded, gray hair to its natural color dates back to grandmother's time. She used it to keep her hair beautifully dark, glossy and abundant. Whenever her hair fell out or took on that dull, faded or streaked appearance, this simple mixture was applied with wonderful effect.

But brewing at home is messy and out-of-date. Nowadays, by asking at any drug store for a 50 cent bottle of "Wyeth's Sage and Sulphur Compound," you will get this famous old recipe which can be depended upon to restore natural color and beauty to the hair and is splendid for dandruff, dry, feverish, itchy scalp and falling hair.

A well-known downtown druggist says it darkens the hair so naturally and so evenly that nobody can tell it has been applied. You simply dampen a sponge or soft brush with it and draw this through your hair, taking one strand at a time. By morning the gray hair disappears, and after another application or two, it becomes beautifully dark, glossy, soft and abundant.

### SOUTH HOLDS RECORD IN BOY'S CORN CLUB

President of Southern Railway Comments on Possibilities Before the South.

Washington, June 16.—Commenting on the record of Boy's Corn clubs throughout the United States for the season of 1914 just published by the United States department of agriculture, President Harrison of Southern Railway company said:

"As in each former year since the inauguration of the Boy's Corn clubs the championship has gone to the south, having been won by Carl Graves, at Soso, Mississippi, with the production of 202 bushels of corn on a single acre at the remarkable low cost of 14.5 cents per bushel. The highest record made by any boy outside of the south was by a Pennsylvania boy who made 148 bushels at a cost of 26.7 cents per bushel. This record was exceeded by ten of the first and second prize winning boys in the south. The average yield per acre made by the winners of the first and second prizes in the states of Virginia, North Carolina, South Carolina, Georgia, Alabama, Kentucky and Tennessee was 159.26 bushels, as compared with an average of 104.22 by the prize winners in the northern, central and western states. Taken into consideration with the records of previous years these figures show that, with the adoption of proper cultural methods, the south can be made the greatest corn producing section of the United States."
